

Morristown Art Association Newsletter

Aug. 24th, 2021 (4th Tuesday) at 6 PM

Program: Jasmine will be teaching her paint pouring at our meeting this month. We have extended the deadline to September 3rd for Arts in the Park. We would like members to bring artwork to go in the members tent to the meeting on Tuesday.

Library show: Be thinking about showing your work in the library. We want MAA members to continue to show since if we don't, we might lose that venue for display. There was a time that we did not have the library.

Artist of the month:

In order to be posted on the web site, you must be a member. Send a bio, your portrait photo and up to 10 pieces of your work. I do not include your name if you do not have work to show on the webpage. Paintings may be changed no more often that every 6 months. You may change only a few of your paintings if you do not want to change all of them.

Our challenge:

Challenges are posted on the website calendar. The one for August is an image of something from your studio.

Arts is the Park:

Peggy Brewer is partnering with Parks and Rec. of Morristown to attempt to have another Arts in the Park celebration. A meeting will be held with the organizers on the meeting night at 5PM just before the meeting. We are hoping there will be enough who will participate to have it. Right now, we do not have enough so we have extended the deadline to Sept. 3rd in hopes of getting more participants.

Notice: In July, members voted to change the meeting time from 7PM to 6PM.
